Description of the seminar on Importance of Analytical Thinking in Problem Solving

A seminar was organized by Khalsa College of Pharmacy on **Importance of Analytical Thinking in Problem Solving** is being organized on 22nd March 20221. Mr. Sanjeev Sharma, Estra Pharmaceuticals was the key speaker. He emphasized that every setback and failure should be taken as an opportunity to learn is an example of analytical thinking. Leaders often incorporate past learnings to solve present problems. They're excellent at getting to the heart of a problem and finding the logical solution. The seminar was very informative.
