### **3.4.1. Outcome of Extension in the neighbourhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.**

The college organizes a number of extension activities to promote institute-neighborhood community to aware and encourage the students towards community needs. The students of our college actively participate in social service activities leading to their overall development. The college has effectively conducted a number of events on National Service Scheme and National Cadet Corps Units. Through these units, the college undertakes various extension activities in the neighbourhood community.

Several NSS activities were carried out by the institute addressing social issues which include cleanliness , tree plantation ,water conservation superstition, female foeticide, environmental awareness, Women empowerment, awareness on infectious diseases and cancer, Blood donation camp, Health check up camp etc.

The institution organizes various NCC activities as tree plantation, Road safety awareness, ,Swachhta Abhiyan ,National equality awareness etc.

Other than NSS and NCC units, the various departments of the college is conscious about its responsibilities for shaping students into responsible citizens of the country by making students aware of social issues through various programmes like Environmental Awareness, Personal Health and Hygiene, Road Safety, Tree Plantation, Plastic eradication, Programme on female foeticide,organizing visit to Orphanages, Health check -up camps, Blood donation camps etc.

All these mentioned activities have positive impact on the students and it developed student community relationship, leadership skill and self confidence of students. It also helped in cultivating hidden personality of students and created awareness among students.
