Subject: Implementation of e-Governance

For bringing efficiency in the administrative set up, it has been decided to switch over to e-Governance. The process involved was explained lucidly during a presentation given in the meeting hall of Khalsa College Governing Council, Amritsar on 27-6-2014 to highlight its salient features.

For the implementation of e-governance, it would do well to route all the official correspondence through e-governance. Side by side the system of sending official correspondence as is being done, will be maintained. In clear terms one copy of the document will be routed through e-governance correspondence and the other copy will be sent by hand/post as the case may be.

If there still persists any doubt and the officials concerned needs any further enlightenment, be free to contact this office.

Kindly ensure the implementation of e-governance

Sub: **Updation of Student Data on E-Governance.**

The HDFC Bank is receiving student fee and it is reported by the Bank that in many cases Roll Numbers are not being issued to students by your respective institution. As such, the fee cannot be received by the bank unless and until all the necessary information/data is being supplied to it.

Thus, you are required to direct the concerned staff of your respective institution to update all the necessary information like Name, Branch, Semester, Roll Number etc on E-Governance, so as to avoid any future complication.
