Description of the seminar Clinical Trial and Pharmacovigilance

A seminar was organized by Khalsa College of Pharmacy on 31st May 2023 on Clinical Trial and Pharmacovigilance for pharmacy graduates and post graduates. Dr. Nitish Bhatia, Associate Professor, School of Medical and Allied Sciences, G.D.Goenka University, Gurugram was the key speaker. The students were informed regarding the different stages of drug development process. After the preclinical phase, the clinical trials can be conducted. The speaker informed the students that the clinical trials are divided into four phases. Pharmacovigilance is the science and activities relating to the detection, assessment, understanding and prevention of adverse effects or any other medicine/vaccine related problem. Dr. Nitish Bhatia informed the students the job opportunities of pharmacy students in the field of pharmacovigilance. The seminar was very informative for the students.
