

Subject: Become Zonal Partner 2K18 Pharmacy Department : Makeintern & E-Cell (IIT Kharagpur - Event)

From: pulkit@makeintern.com

To: nitishnitish_18@yahoo.com

Cc: priyanka@makeintern.com

Date: Wednesday, 10 October, 2018, 2:49:11 PM IST

Honorable Sir,

Greetings of the day....!

We are happy to inform you that **MakeIntern (Workshop Partner of E-Cell (IIT-Kharagpur Event))** putting up 15 zonal center across India. This is for some selected college only.

DETAILS OF THE EVENT

First Round(To be conducted @ college level) :-

The first part of the session will held in your college campus and their are some topics mentioned below college can select any one of them for the 5days training program & the registration charges are 3000/- INR per student:

- **Drug Discovery , Designing and Development**
- **Recent Trends in Pharmacy Practice**
- **Artificial Intelligence in Health care**
- **Nano Drug Delivery Techniques**
- **Cheminformatics and its Application in Research & Drug Industry**

Finale:

After completion of the training, five best students would be selected from your institute to represent your college at E-Cell (IIT Kharagpur Event) <duration at IIT will be two days>.

Food and lodging arrangements will be done by Makeintern @IIT Campus.

Benefits to institute for hosting this event:

1. Institute will receive the letter of appreciation for being a zonal center.
2. 10% amount of total registration charges would be refund back.

AMITCAR COLLEGE OF PHARMACY
AMITCAR

3. Your institute will be the only zonal center in your city.
4. Letter of appreciation for the faculty coordinator.
5. Two faculty members can attend the session free of cost.
6. Marketing material i.e, poster and banner with college name and logo will be sent from our side.
7. Merit students will represent your college @IIT Campus.
8. Faculty coordinator will join two days finale at IIT with merit students .

Benefits to Students for participating in the event:

1. Participation certificate for all the participants.
2. Coordination certificate for student coordinators.
3. Merit certificate for selected students.
4. Internship assistance for all the participants who will be attending the session.
5. Best exposure of the industry which make them competent in Real Corporate life.
6. Winner would be awarded with the prize money of 50,000/- INR during Finale.
7. Best Platform for students to showcase their skills in front of best minds.

Internship Opportunities (www.makeintern.com)

Our MakeIntern team will be assisting, selected students for internships. We have been associated with more than 500 companies. This is important for students as while doing an internship they will be getting exposed to the real professional world of their preferred field and they can easily implement that experience in their job profile.

Marketing material like poster and banner with college name and logo for event promotion will be provided from our end and it will also help you in mobilizing the number of students.

If do you have any query then please feel free to contact us.

Thanks & Regards:

Dear Sir,

Good Evening...!

As we all are aware that, **Finale of WETLAB Championship was scheduled in IIT Madras on 30th Sept 2019 but due to sudden visit of Hon. Prime Minister Mr. Narendra Modi, The event got postponed and Now HRD has shifted the event to IIT Hyderabad Campus to avoid any further delay in commencement of the same.**

Therefore, you all requested to confirm your participation in WETLAB Championship by 3rd October as the event is scheduled on 12th Oct and reporting day is 11th Oct 2019.

Registration link: <https://imjo.in/jQUyCH>

Rest all the rules and guidelines will remain the same as in previous mail and details with regards to your accommodation will be shared with you by 30th Sept.

In case of any query about the event or registration, Please get in touch with undersigned. We would love to assist you.

Thanks & Regards:

Coordinator-Wetlab Team

Date: 9th Sept, 2019

AGENDA

MakeIntern (As an official workshop partner) take this opportunity to invite you for Wetlab Championship which is going to be held at IIT Hyderabad.

It's been 4 consecutive years in which it has seen the best in the country compete amongst. This Championship has been recognized as a platform for the exchange of ideas, innovation and learning by students from all across the nation.

It will be a pleasure to receive participation from your esteemed Institute for this Championship. We will have almost 30+ Colleges from all over India participating this year. We request you to kindly confirm your participation before 25th Sept 2019.

The detailed rules and regulations are as follows:

Rules regarding the Championship:

1. All participants must be bonafide students of an educational Institution.
2. The participating teams must have strictly 3-5 selected members.
3. The pattern of the presentation shall be according to the guidelines.
4. In case of any doubts and clarifications the Judge's decision shall be final and binding.
5. Changing teammates at any stage of the competition for any reason whatsoever is strictly not allowed.

Note: Accommodation would be provided for one day i.e. 11th Oct, 11 AM onward to 12th Oct 11 AM.

- Students are expected to bring the Valid ID cards and a print out of confirmation mail with regards to their participation from Makeintern/Wetlab Team along with the consent letter of Dean/HOD of your Institute.
- Collect Championship's I-Cards from POC's and confirm your entry on registration desk.
- Collect your lunch Coupon's from Makeintern/Wetlab POC's and ensure your staying arrangements with Makeintern Team.

STRUCTURE

Presentation Round (12th Oct '19)

Reporting Time: 08:30 AM

Timings: 9 AM-6 PM

Venue: will be communicated on 11th Oct Eve

Lunch Break: 12:30 PM-1:30 PM

Event Resume: 1:30 PM-6 PM

Topics:

- Synthesis of nanoparticles for drug loading
- Hydrogel nanoparticles – synthesis and applications as drug carrier
- Recent pharmaceutical research advancements in chronic and resistant diseases
- "Lab on a chip" - Current advancements and future potential in pharmaceutical industry
- NewAge antibiotics in pharmaceutical World
- Trending AI solutions in Pharma and Chemistry
- Cancer therapy and wellness
- Modern Geriatrics practices
- Clinical audit

Note: Students need to select any one topic from the topics mentioned above.

Criteria:

- Presentation Skills (20 Marks)
- Content (30 Marks)
- Subject Knowledge (25 Marks)
- Q& A (25 Marks)

Maximum Marks: 100

Duration: 7 Minutes for Each group (There should not be more than 14 slides)

Q & A: 10 Minutes

Note: It has to be a Power Point Presentation.

KEY POINTS

Accommodation: Student's accommodation (For one day) will be arranged in nearby Hotels (Sharing Basis) of the campus.

Lunch coupons will be provided from Wetlabchampionship Team during the event.

More details on the same and for any query regarding the event you may contact the coordinators.

AWARD AND CERTIFICATES

Timings: 05:00 PM- 06:00 PM

The final round shall carry prize money of INR 50,000, which includes first, second and Third Prize. The entire participant's shall be awarded with the certificates of excellence.

We shall look forward to an enthusiastic participation from your college. **This Championship is strictly restricted to the selected Merit students only.**

PRIZES

Winner Group: Rs 25,000/-
First Runner Up: Rs 15,000/-
Second Runner Up: Rs 10,000/-

Thank You!

Mr. Jitesh

Overview

Mr. Jitesh Doshi is a Bioinformatician with Master's degree in Bioinformatics from University of Pune and he also has completed advanced Bioinformatics courses from University of Illinois at Chicago, USA. Currently he's heading a young startup named Insight Bio-IT Solutions providing IT solutions, training and consultancy services in the field of Bioinformatics and Bio-IT.

He has worked as a research Bioinformatician at Tata Memorial Center - Advanced Centre for Treatment, Research and Education in Cancer (ACTREC), Mumbai. He continues his research work there as a visiting researcher. Before working at ACTREC, he spent 2.5 years in University of Illinois at Chicago attending courses in computer science and bioinformatics and simultaneously worked as a teaching assistant to advanced graduate courses. He has worked as a Research Associate to Bioinformatics Centre of University of Pune and as Domain Analyst at Persistent Systems Ltd.

His active area of research is applications of machine learning in Bioinformatics and Computer-Aided Drug Discovery. Alongside his entire career path, he has perused his passion for teaching by conducting numerous lectures and workshops for various colleges/institutions.

Dynamic, creative and results-driven with Broad technological skills with proven ability to keep abreast of emerging trends in the changing field of Biotechnology.

Bioinformatics analyst and software developer with proficiencies in algorithm and software development, data mining and molecular modeling.

Experienced in research, academics and industry environment, looking forward for an opportunity as bioinformatics scientist involved in research and development activities directed towards better healthcare for the society.

Core Competencies

- Bioinformatics
- Computational Biology
- Structural Bioinformatics
- Sequence Analysis
- Java
- Perl
- C
- Genomics
- Linux
- Databases
- Systems Biology
- Data Analysis
- Algorithms

- Biochemistry
- Programming
- Research
- Statistics
- R
- Web Applications
- Statistical Data Analysis
- MySQL

Professional History

Bioinformatics Research Fellow

Tata Memorial Centre - Advanced Centre for Treatment, Research and Education in Cancer (TMC-ACTREC)

- Working towards molecular modelling, docking and molecular dynamics simulations of important proteins which are part of the research projects carried out in the lab
- Simulations using HPC Cluster at C-DAC, Pune on GROMACS Simulation suite
- Developing and maintaining databases and web applications using various technologies
- Database web application development using Java, JSP and MySQL, Data collection and processing

Graduate Student Assistant

University of Illinois at Chicago
Chicago, IL

- Active directories, managing group policies;
- Database and web support;

[Handwritten Signature]
PRINCIPAL
KHALSA COLLEGE OF PHARMACY
AMRITSAR

- Managing large IT infrastructure and digital media and classroom support
- Web application development using Perl and ASP
- Projects undertaken: Emergency SMS broadcast system using carrier's E-mail to SMS service

Graduate Teaching Assistant
University of Illinois at Chicago
Chicago, IL, USA

- Lead discussions sessions on biochemistry class
- Setting up exams and grading the homework and exams

Bioinformatics and Computational Molecular Biology Instructor
International Center for Stem Cells, Cancer and Biotechnology
India

- Conducting short term Training Sessions, workshops for biologists and life sciences students/professionals for use of computers in their research
- Assisting project students in data analysis

Research Associate
Bioinformatics Center, University of Pune
India

- Center of Excellence (CoE) project of Department of Biotechnology (DBT), Govt. of India Development of novel approach to understand antibiotic anisomycin induced activation of p38 MAP kinase using molecular docking and dynamics simulations
- Using Molecular Dynamics Simulations and statistical analysis to understand epitope stabilities, and applications in designing of vaccine targets.
- Teaching and mentoring activities for MSc Bioinformatics students

Visiting Lecturer
Ramnarain Ruia College of Arts and Science
India

- Teaching Bioinformatics to MSc Biotechnology students
- Help them understand the use of computational tools and techniques for use in their biological research

Domain Analyst
Persistent Systems Ltd.
Pune

- Domain Analyst in Life Sciences and healthcare sector
- Technical and domain support for caTissue clinical informatics web application suite
- Deploying and maintaining web application/database on client machines

केवल तीन माह के लिये वैध VALID FOR THREE MONTHS ONLY

Three day Workshop on "Drug Discovery Design and Development" was organized at Khalsa College of Pharmacy, Amritsar in collaboration with Zonal Championship and Shastra IIT Madras Event. Workshop was taken by Mr. Jitesh Doshi, a world renowned expert on computational biology and cheminformatics from Mumbai. Various aspects of drug discovery based on advanced cheminformatics softwares were deliberated upon. Modern techniques related to computer added drug design and molecular docking were discussed. On the third day, an online test of students was conducted and five students were selected as winners who will represent the college in the Final round of a competition "Shastra Zonal Championship" at IIT Madras. On the third day, Valedictory function was organized in which certificates were given to winners. Director-Principal of the college Dr. R.K Dhawan, congratulated the winners and emphasized the need and importance of computer aided drug design in pharmaceutical research. He stated that events like these will continue to be organized by college for betterment of students.
