Description of the seminar on Entrepreneurial Session on Novel Drug Delivery Systems: From Concept to Commercialization

A seminar was organized by Khalsa College of Pharmacy on Entrepreneurial Session on Novel Drug Delivery Systems: From Concept to Commercialization on 3rd March 2023 for the students of Khalsa College of Pharmacy along with Khalsa College of Pharmacy and Technology. Mr. Kanwar Singh Uppal, Regional Manager, Prime Pharmaceuticals was the key speaker on this event. He informed the students that novel drug delivery system is the need of the hour and pharma companies should explore these novel drug delivery systems. The mindset needs to be changed as novel drug delivery manufacturing is although challenging but increases patient compliance, reduces the dose and hence the side effects. The seminar was very enlightening and encouraged the students to accept the challenges. The seminar ended with a vote of thanks by the organizers.
